Profile

A passionate web developer driven by a commitment to building secure and high-performing websites that drive business growth. I believe a strong online presence is about more than aesthetics; it's about strategic execution, meticulous code, and relentless optimization. This philosophy fuels my approach, honed through dedicated self-study since 2019, pushing me to constantly master my craft.

My expertise lies in WordPress development and project coordination, coupled with a strong foundation in HTML, CSS, JavaScript, and PHP. I thrive on learning, pushing boundaries, and never giving up.
